Facebook: Organic strategy

Free reach from our own Page. It builds trust and followers.

1. **Fix the Page first**
   Logo as profile picture, full About, Contact Us button
2. **Post 4 times a week**
   Same days every week (see schedule)
3. **Reply to every comment within 24 hours**
4. **Follow 10 target companies a day**
   Comment on their posts as the Page
5. **Invite and share**
   Invite people who liked a post; staff follow and share

0 EUR

Platform fee for posting. Our cost is time: about 20 minutes a day.

Weekly schedule

Day	Post
Tuesday	IT tip
Wednesday	One service
Thursday	Team and values
Saturday	Short video or job post

1.6% to 5.9%

of our followers see a Page post [1]. This is why we add paid ads next.

[1] Facebook Organic Reach, profiletree.com/facebook-organic-reach/ (range citing shno.co, 2025 to 2026). The schedule and 20 minutes a day are ChauTech's own plan.

Facebook: Inorganic strategy and rates

Paid ads put our best posts in front of people who do not know us yet.

1 **Pick our best organic post**
Highest reach in Insights

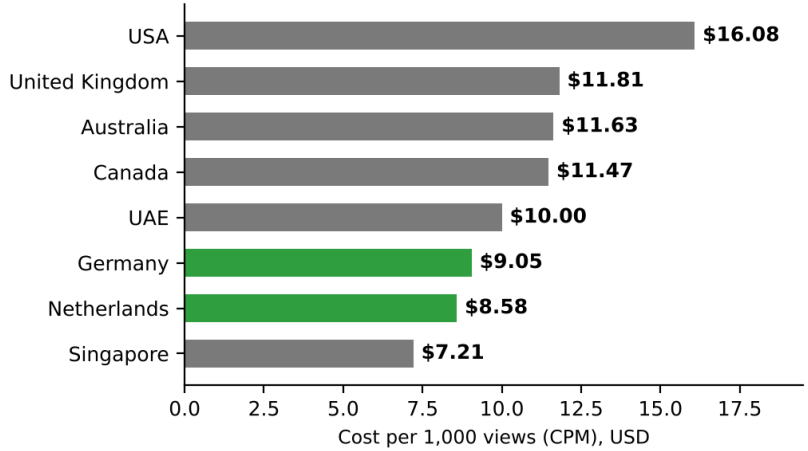

2 **Boost it**
Meta Business Suite, Boost Post

3 **Target**
Germany, Austria, Switzerland. Age 28 to 55. Interests: IT, software, cloud, business

4 **Run for 7 days**
Keep the best ad, stop the rest

5 **Later: retarget website visitors**
People who visited chautech.de

Rates: cost per 1,000 views [1]

5 EUR a day

Proposed budget: about 150 EUR a month. At the Germany rate this buys about 16,600 views (estimate, views not people).

[1] Meta Ads Statistics 2026: CPM by Country, paceads.com/research/meta-ads-statistics-2026 (Lebesgue ecommerce benchmark, 27 July 2026). No price found for Switzerland and Austria; lead campaigns usually cost less. The 5 EUR budget and targeting are ChauTech proposals.
